

# JoJo Printable Bookmarks!

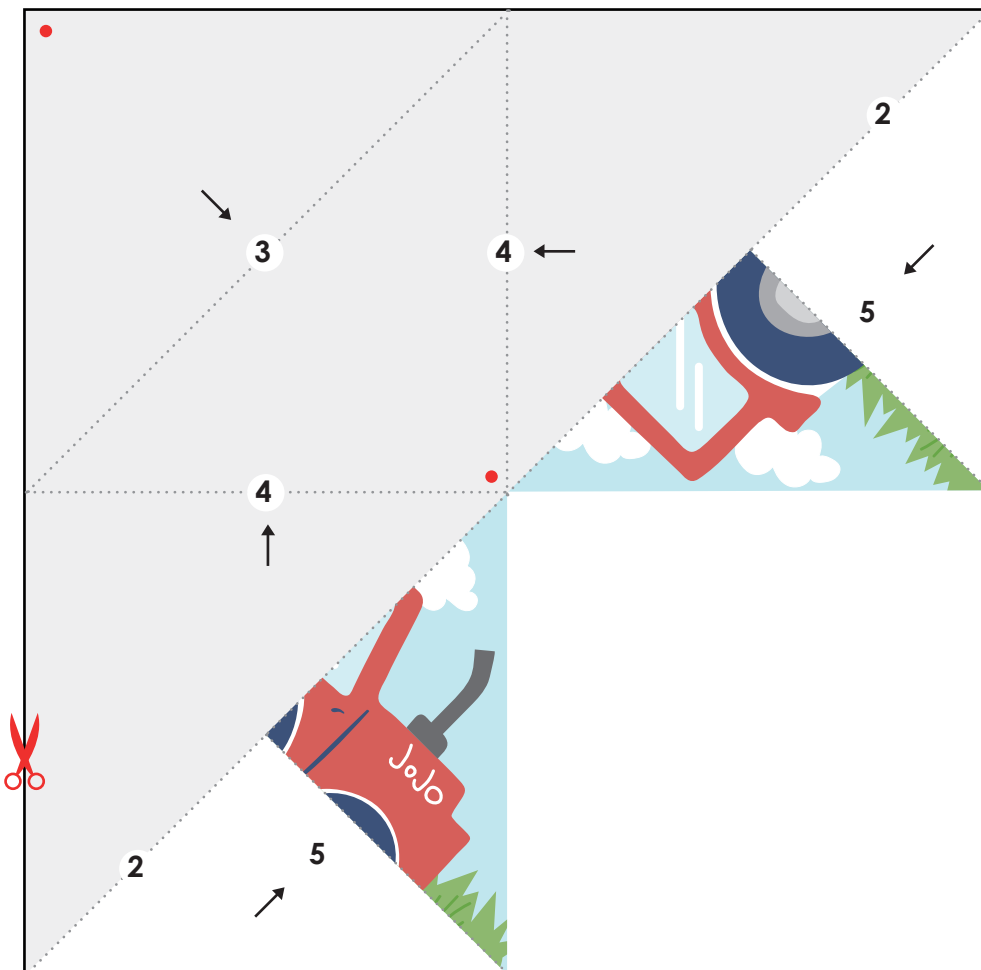

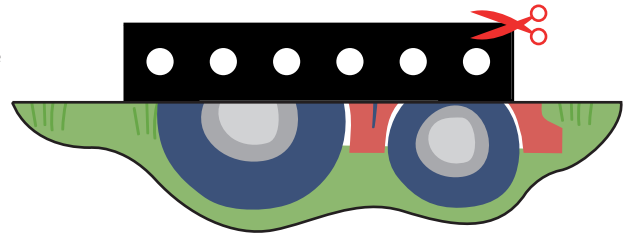

JoJo's printable Bookmarks are a fun activity for all the family. Adult supervision is recommended for little ones as this activity involves cutting out and folding.

## Instructions

- 1 - Cut along the solid black line on the square and the body.
- 2 - Fold the square in half along the dotted line labelled. Make sure the picture is on the outside.
- 3 - On the grey side of the triangle, using only the top layer of paper, fold down the dotted 3 line, joining the red dots.
- 4 - Fold the bottom two corners up to the top point of the triangle. This should bring the face together.
- 5 - Tuck the corners into the 'pocket', behind the cabin of the tractor by folding along the dotted '5' line.
- 6 - Glue along the white dots, and stick the wheel section to the inside of the bookmark, under the tractor.

## You will need

- Scissors
- Glue
- An adult to help you!

The face will line up better if you are exact with your cuts and folds.
